

## JOIN THE MARKET LEADER IN ULTRASONIC WELDING TECHNOLOGY

**Immerse yourself into the fascinating world of ultrasonic welding!** Herrmann Ultrasonics develops and builds machines that join plastics, packaging materials and nonwovens with ultrasonic vibration. This technology is suitable in many industries, such as medical, electronics, food and filtration. With nearly 520 global employees, based within 4 Headquarters and 23 Tech-Centers, we are represented in 20 countries worldwide. Become part of our dynamic team in the United States and apply as:

### Marketing Assistant, IL

Come inspire and drive our voice of ultrasonic excitement to customers and leads, out of our modern North American headquarters in Bartlett, IL. As the Marketing Assistant, you will be responsible for assisting in the development, implementation, and administration of corporate marketing and communication projects, alongside our global marketing team. You offer our various sales divisions help in curating editorial and promoting content to various media platforms. Your passion for marketing is contagious to both sales and media. We provide you with the fundamental tools that will lead you to create and promote our message clearly; ongoing educational classes, onsite training will help you gain in-depth knowledge of our products, partners and markets.

#### What makes Herrmann stand out:

- Family owned business
- Technology leader
- Investment in employee education through Herrmann Academy
- Rewarding business model with competitive benefits
- A respect for people, process and the planet

#### What sets you apart:

- Associate or bachelor's degree in marketing or related field
- Good knowledge of market research techniques and maintaining social media sites
- Systems Knowledge: Microsoft Office & Adobe creative suite (Photoshop and Lightroom)
- A consistently positive attitude and great motivation; with a passion for photography and videography
- Project Lead for trade shows, customer and corporate events

**Christina will be your colleague at Herrmann Ultrasonics.**

**What she enjoys most about working at here**

-  Personal development opportunities
-  Remarkable team spirit
-  Interesting variety of applications
-  Innovative spirit
